Editorial Review
 by Anna Roth at Citysearch, July 29, 2008

The West's other coffee institution serves up hot joe in a warm setting. In Short
 What could be more inviting than a plush leather chair and a steaming cup of Tully's House Blend on a chilly morning? The decor at Tully's stores throughout the West matches the mood of the clientele: casual yet classy. Regulars have adopted Tully's coffeehouse as a convenient place to drop in for a "Swirkl" or a "Spin," Tully's own slushy latte creations. The coffee chain also serves assorted sandwiches and salads.
